RE: 15-CV-6582 Settlement Request

To make things simple I will list my costs & a meager amount to settle this case, since it is obvious there is little to gain prolonging or protracting another result.

1. \$125.00 is what I spent on commissary I never got to eat.
2. \$1500 is roughly my carfare back & forth to court & meals
3. \$1500 bail I had to pay.
4. \$7500 for false arrest/fabrication of evd. Malicious Pros. Threatening my wife.

Final amount \$10,625.00, and I need nothing less to make me whole again. My expenses & losses are non-negotiable.

I am also requesting expedited payment of 15-30 days.

Thank you in advance.
